

Bay Farm School PTSA

# Pumpkin Decorating/Carving Contest

You and your friends are invited to participate in the 2021 Bay Farm School Pumpkin Decorating/Carving Contest. Simply carve or decorate your pumpkin at home and bring it to school the morning of Friday, October 29. Please drop it off in front of the school by the flag pole and place it in your grade level's designated spot. We will group and judge the pumpkins as grades K/1, 2/3, 4/5, and 6-8. There will be a first, second, and third place winner in each category. Winners will have a picture of their pumpkin placed in the office window, and they will be featured on our website and Konstella! You must have an entry form to participate.

Please pick up and take home your pumpkin at the end of the day. Any pumpkins not claimed will be placed in compost at the day's end.

Parents, please allow this project to be kid-generated. Please keep your participation to the minimal. It is fine for you to carve out their design if they need help.

We are looking forward to having a **Spooktacular** Pumpkin Contest!
